RIP Ranger Plutino

It is with the greatest sadness and regret that I inform you of a casualty we have sustained. On 08 August, SGT Alessandro Plutino, a Rifle Team Leader in B Company, was killed by enemy gunfire, while leading his Rangers in an assault. His parents have been notified, and I ask that you keep them, SGT Plutino's loved ones and all of our Rangers in your prayers.

Thank you
- COL Mike Foster
Commander, 1st Ranger Battalion
